1. Preamble

Dublin Little League, as a chartered organization, shall abide by the Rules and Regulations of Little League® International. Dublin Little League Local Rules shall not conflict with, or supersede, Little League Baseball or Softball rules and guidelines. Dublin Little League shall follow the 2025 Baseball and Softball Official Regulations and Playing Rules Green book.

2. SAFETY

Individual safety and care of the equipment are extremely important objectives of Dublin Little League. Managers/Coaches/Players are encouraged to read the Dublin Little League Safety Manual which is available in the handouts section of the league website.

At no time shall a bat ever be thrown by any individual. This includes players/coaches/umpires who are attempting to return a bat to the dugout. Bats should be returned by hand to the dugout and only transferred between players via a handoff, never by being tossed or thrown. A batter who throws a bat as part of their swing shall be called out if they throw the bat twice in a game.

An on deck circle is not allowed at the major division level or below. An on deck circle is allowed for intermediates and above divisions.

3. MEDICAL RELEASE FORMS

A Little League Medical Release form must be present for each player at each practice and game, and be in the immediate possession of the Team Manager. The League provides these forms to the manager prior to beginning the season. Players not having a properly signed / completed Medical Release form may not participate in practices or games.

Medical Release forms are available on the Dublin Little League website (www.dublinll.org) under the following Tabs: Parents/Documents & Forms/Safety.

4. SPORTSMANSHIP AND DECORUM

Little League Baseball and Softball is a program for the youth (not adults) of our community, based on principles and philosophy of good sportsmanship, friendly competition, and peer/family support. Managers, coaches, and other representatives that hold responsible positions shall conduct themselves pursuant to Little League Baseball and Softball Regulation XIV regarding Field Decorum and shall consistently demonstrate the virtues of good sportsmanship. **The Dublin Little League Executive Board may summarily remove those not demonstrating these traits and behaviors expected in their respective roles.**

Dublin Little League will not tolerate the abuse (verbally or physically) of players, other managers and coaches, league representatives, umpires or spectators.

5. PLAYER DISCIPLINARY ACTIONS

In the event that the Team Manager considers disciplinary action against a player necessary, a manager may bench a player for up to one inning for moderate infractions. Minor infractions may all not result in a player being benched unless the infraction is repeated multiple times during a game. For major infractions notification must be given in writing (e-mail or letter form) to the appropriate Division Director and Player Agent before any action is taken and may be implemented only with the permission of the Player Agent. However, in severe extenuating circumstances (i.e., fighting), it may be appropriate to immediately suspend a player. The Team Manager must immediately contact the Player Agent and Division Director with the following information:

- Name of the offending player or players
- Description of the incident
- Disciplinary action taken

Managers may not “bench” a player for more than one inning without doing the following:

- Hold discussions with the player and parents reiterating the Manager’s expectations. These discussions are to be documented, including dates and times.
- If the issues continue, contact the Player Agent via phone, then follow up with an e-mail or written memo. The Player Agent will contact the player’s parents and attempt to resolve the issues presented to him/her.
- The Player Agent will refer the player in question to the Disciplinary Committee if the issue cannot be resolved. It is the Disciplinary Committee’s responsibility to determine what action, if any, needs to be taken. The Disciplinary Committee is composed of the league Executive Board unless otherwise designated by the Executive Board.
- If disciplinary action is deemed necessary by the Disciplinary Committee, the Player Agent will contact the player, parents, and Team Managers of the action that will take place. An email from the Player Agent to the League President will be sent to document the outcome.

In the event that a player becomes disruptive during a game (i.e., fighting, swearing, throwing equipment, etc.), and it is felt that immediate action must be taken, Manager may take immediate and appropriate action and:

- Immediately following the game, the Manager must call the Division Director and Player Agent and advise them what transpired and why. The Manager must also send an e-mail or letter to the Player Agent explaining the situation and action taken. Both managers must follow this rule if an umpire ejects a parent or player.
- If an Umpire removes the player from the game, the Umpire is responsible for documenting a report of the incident. The Umpire will forward the report to the Umpire-In-Chief via e-mail.

Team Managers are completely accountable for the actions of their players, and must justify any disciplinary actions requested and/or taken on players.

6. ABUSIVE BEHAVIOR

If a team player deliberately abuses equipment (i.e., throwing bat, catcher’s mask, or helmet) or puts another individual in danger, it will be cause for the offender to be either warned of inappropriate behavior, or in the judgment of the umpire the incident is serious, ejection of the offender. The judgment of the umpire in this situation is final.

In addition, if in the umpire's judgment, a collision occurs with a malicious intent to injure or "take out" a player, or to intentionally dislodge the ball (other than sliding), the base runner will be called "out" and ejected from the game. "High sliding" (foot extended above the ground), barrel rolling, or other means to "take out" a player is not acceptable. Violators shall be called "out" and ejected from the game. The umpire will file a report immediately after the game with the Umpire-In-Chief regarding the incident.

If a team player deliberately abuses equipment, that player will be held financially responsible for the replacement of equipment.

7. CONDUCT

Ejection and Disqualification

Any participant (Manager, Coach, Player, Scorekeepers, parent, fan, etc.) who is ejected from any game shall immediately leave the park and shall not participate in any further league activities (including team practices and additional games) until a thorough investigation by the Executive Board has been conducted. The only exception to this is if a player is ejected and must wait for a parent or guardian to pick them up. In this case, the ejected player may sit in the dugout.

Disciplinary action against any participant may include suspension from one or more games, or in the worst-case scenario, complete expulsion from the league.

Any participant who is ejected will receive a minimum one game suspension in addition to the game they were ejected from. If the participant is ejected a second time, the league may elect to suspend the individual for the remainder of the season including post season and all stars.

Note: Questions not addressed by the Little League rules or Dublin Little League Local Rules shall be decided pursuant to 9.01 (c) of the Little League Playing Rules by the Umpire-In-Chief of the game. The Umpire-In-Chief may seek counsel of any on-duty Board Member present during the game.

8. COMPLAINT PROCESS AGAINST MANAGERS AND COACHES

If a parent, guardian, or others have a complaint against a manager or coach, they should:

Contact the Team manager and discuss one-on-one their complaint and work towards a mutual resolution. Most complaints are about player time or player position and this conversation should help bring clarity of each person's position.

Note: Team managers must follow Dublin Little League Local rules and Little League International rules relative to playing time. While the manager may consider a parent's request for more playing time or their child playing a different position, it is ultimately the decision of the Team Manager and their coaching staff.

If a complainant feels that s/he is not satisfied, and would like to discuss the matter further, an e-mail or letter with specific information regarding the complaint must be sent to the Player Agent for that Division. The Player Agent will contact the person and work towards resolving the issue(s).

If the complainant is still not satisfied, s/he must then contact the League President via email or letter outlining specifically the details of their complaint.

Any action taken regarding a manager or coach will be documented and a copy provided to the League President, Player Agent, Division Director, and League secretary for filing.

9. MANAGERS / COACHES REQUIREMENTS

All proposed managers and coaches must turn in a completed application for an individual background check prior to the first team practice. There will be no exceptions granted.

All proposed managers and coaches must attend mandatory training clinics as provided by Dublin Little League, including but not limited to, Big Al's Coaching Clinics, Positive Coaching Alliance training, coaches training, rules clinics and safety training. Failure to participate in these clinics may jeopardize their appointment as a manager or coach.

All team Managers must recruit volunteers to fill the following roles:

- Assistant Coach (up to 2)
- Team Parent
- Scorekeeper (Baseball Single A and above or Softball AA and above only)
- Field Prep (up to 2)

It is recommended that at least one parent volunteer representative from each team is in attendance at the Dublin Little League field prep clinic.

It is expected that each team has a representative attending the Team Parent meeting.

Per California law anyone with any player contact has to complete a background check and volunteer form.

Additional training may be required based on requirements set by California law, Little League International and/or Dublin Little League.

Team Managers are responsible for their actions, including those actions of the team players, coaches, parents and volunteers. Not following League rules, expectations, and applicable behaviors becoming of a Dublin Little League representative will result in appropriate level of reprimand as determined by the Dublin Little League Executive Board.

10. SCOREKEEPERS

Team Managers must solicit assistance from Team Parents for official scorekeeping duties in Single A Baseball and above and AA Softball and above. One scorekeeper is required from each team for every game. The home team scorekeeper is recognized as the official record keeper for the game. Training will be provided to those individuals that volunteer for this duty. Official scorekeepers should remain in the score booth throughout the entire game unless the score booths are not a viable option. If the score booth is not available the scorekeepers are required to sit together during the game. It is imperative that scorekeepers be professional and impartial towards the game's outcome, communicating with the umpire and manager / coach only for official scorekeeping activities.

Managers, Coaches, and others shall not revise the official score record in any way.

In the event a game has only youth umpires, the away team's scorekeeper will act as the Game Coordinator (GC) of the game. The GC is expected to step in during any conduct issues and in the event of an ejection are required to submit an incident report to the league Umpire in Chief. The Game Coordinator should attend the pre-game meeting between the managers and the umpires. The Game Coordinator is there to protect youth umpires from any abuse from the manager, coaches, and spectators. The Game Coordinator and/or the youth umpires have the authority to eject a manager, coach, player, and/or spectators if the violation justifies it.

Only scorekeepers are allowed in the score booth during games. Scorekeepers are responsible for taking their own trash from the booth.

11. UMPIRE INTERACTIONS

- No one talks to the umpires except the manager. If an assistant coach approaches an umpire they can be ejected.
- Managers and coaches do not talk to youth umpires between innings.
- There is no challenging a judgment call with a youth umpire, period. Safe or out calls are not up for discussion. If an adult umpire is present, and you feel that a judgment call was missed due to a bad angle you are allowed to ask the umpires to discuss.
- Challenging a rule is allowed, but only by a manager. If the youth umpire is unaware of a rule, then the managers should attempt to work it out. If you can't work it out, play the remainder of the game under protest if you have to; but remember if a protest is upheld, the game will resume from the time of the protest. You don't win the game because you won a protest.
- Prior to approaching an umpire, a manager must request and be granted a timeout.
- Don't rush an umpire, especially a youth umpire. If you need to speak to an umpire, please walk slowly toward the umpire and use a calm voice. Rushing a youth umpire is intimidation, no two ways about it. If you rush a youth umpire expect to get ejected.

12. YOUTH UMPIRES

It is recognized that our Little League program will not be successful without the use of youth umpires. All youth umpires must be League certified and may not work in the Division in which they play. A youth umpire may not umpire a game in which a family member is a player or coach. The League Umpire-In-Chief on an individual basis may grant exceptions to this rule.

If a game only has youth umpires, the scorekeeper will act as the Game Coordinator of the game. See section 10 Scorekeepers for more details.

13. SPECTATORS

Spectators are not allowed to stand directly behind backstops, dugouts or bullpens while games are in progress. Spectators who display poor temperament, poor sportsmanship, or who are abusive to participants, or who consume alcohol or unlawful substances shall be requested to leave the park. Failure to comply with these expectations may result in the removal of the spectator in question or the suspension of the game. The game Umpire-In-Chief, after discussing with both Managers and any other umpires, shall forward a report to the Umpire-In-Chief Director concerning the incident immediately following the game suspension. The Umpire-In-Chief Director shall forward his/her recommendation(s) to the League President for further discussion with the Disciplinary Committee.

Prior to and throughout the season, Team Managers are required to counsel spectators regarding the League expectations relative to appropriate behavior at games. Team Managers are responsible for the actions of their respective team's spectators. Such actions may include pausing the game to talk to and warn a spectator acting inappropriately or asking the spectator in question to leave the main viewing area or the game itself.

Recruitment for other leagues and teams is not permitted when Dublin Little League is playing.

14. NON-ROSTER (APPROVED) PLAYERS AND VOLUNTEERS

Non-roster players, volunteers, siblings or other individuals are not permitted in dugouts, bullpens or on the playing field before or during games. For Single A and above, no more than 3 coaches are allowed in the dugout. For Rookie and T-Ball, additional adults are allowed in the dugout and on the field to help with the flow of the game. All adults on the field and/or dugout must have completed all required background checks and training.

15. INCLEMENT WEATHER AND END OF PLAY

If weather is suspect and the probability of the scheduled game or practice being played is in question, Team Managers, umpires, and others will utilize the "Fields Are Closed" light located on the Snack Bars at Emerald Glen, Fallon and Dublin Sports Grounds. If the light is lit, the playing field is considered too wet by the City of Dublin and the game or practice cannot be played. Dublin Little League may also cancel games and/or practices due to weather regardless of the light being lit or not. The Field status can also be found on the Dublin Little League website at www.dublinll.org.

Coaches are, at all times, expected to use good judgment when determining the League's best interest for any game or practice to take place. If chances of a player injury or significant damage to our fields are high due to inclement weather, the game or practice should be postponed.

The Game Coordinator or UIC of a game determines if play shall cease due to darkness. All applicable Little League rules for completeness of game, reversion of scores, final score, etc. will be followed, as determined by Little League rules. Once a game has started, it will be the decision of the Game Coordinator or UIC to end the game due to weather conditions.

In the event of any lightning in the area, the playing field shall be cleared and the game suspended. Play may only be resumed after a sufficient time (30 minutes) has transpired with no lightning strikes. For details, see the Dublin Little League Safety Manual.

Dublin Little League will make every effort to reschedule a game canceled due to inclement weather, but it does not guarantee that a game canceled due to inclement weather will be rescheduled. The League takes pride in providing as many games as possible during the season. The League does not budget time for any makeup games during the season. However, the League will attempt to reschedule canceled games and maximize the number of games during the season.

16. POSTPONEMENT OF SCHEDULED GAME BY TEAM MANAGER

Game schedules are usually full each week and provide little room for rescheduling. Therefore it is imperative that Team Managers minimize postponement of scheduled games (with the exception of the inclement weather as described above). However, if postponement is necessary, the Team Manager must contact the League Scheduler at least 72 hours prior to the scheduled game time. The League Scheduler must authorize postponements before contacting team players, as some postponement requests may be declined. For example, lack of players due some players participating in other sports does not qualify for game postponement. If the League Scheduler has evidence that the game can be played and a Team Manager refuses to comply with this request, their team will be given a forfeit.

The League Scheduler must reschedule all approved postponed games within 24 hours. Therefore, Team Managers should be prepared to provide several dates that they believe are adequate for rescheduling of the game prior to requesting postponement. If either, or both teams, cannot or are unwilling to comply with the new game date and time that team(s) will be given a forfeit.

17. UNIFORM AND EQUIPMENT

The League Uniform Coordinator, via the Team Manager, shall issue uniforms to each team. Team members shall not wear League uniforms until opening day, for any reason, unless specifically authorized by the League President. This is for AA and above.

Uniforms damaged by a player beyond normal wear and tear will be replaced at the cost to the parent or guardian of that child. No modifications shall be made to any equipment or uniforms without the express permission of Dublin Little League Board of Directors.

All players are required to come to games and practices with the following equipment:

- All male players must wear a protective cup, regardless of age
- Baseball/Softball Glove

- Baseball/Softball Helmet
- Baseball/Softball Pants (games only)
- Baseball Bat with approved USA stamp on it (see below - Baseball only), or Softball Bat that meets Rule 1.10 (Softball only, no stamp required) for Majors and below.

The following is optional equipment:

- Baseball/Softball cleats. For major divisions and below cleats must be plastic. Although not required cleats are highly recommended. Cleats from other sports are allowed.
- Batting gloves
- Softball players may wear protective fielding masks but are not required
- Baseball/Softball helmets may include a facemask but are not required

Additional equipment is provided by the league to each coach, including but not limited to: baseballs, softballs, catchers gear, or batting Tee (for Rookie and T-Ball only).

Important: Team Managers are solely responsible for the return of all equipment to the League Equipment Director, and can be financially responsible to the League for these items if not returned in a timely manner.

18. Field Maintenance Responsibilities

Purpose: To provide a clear understanding of the basic field maintenance requirements and responsibilities of the Home and Visitor teams before and after each game played at Dublin Sports Grounds, Fallon Sports Park, or Emerald Glen Park. Listed below are the responsibilities for each of the teams (home and visitor and for all divisions), but it is strongly encouraged to help each other complete their responsibilities if there are other parents and coaches available to assist, irrespective of their “Home” or “Visitor” team designation. Remember, good and timely field preparation benefits all of the kids, and helps for a timely start and end to games.

Note: It is the responsibility of both teams to keep the equipment boxes clean & organized.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

The Home team prior to the game:

- Prep the playing field. Lightly water the dirt infield, followed by dragging the infield using the drag screen.
- Chalk the batter’s box, 10’ arc (TeeBall and Rookie only), both base paths and coach’s boxes.
- Place the bases at each location, making sure they are secured.
- Bases must be placed so that the appropriate corner points toward the pitcher’s mound.

- For softball, install the pitcher's plate at the appropriate distance from home plate (Juniors and above - 43', Majors - 40', AAA - 35', AA - 30', Single A and below - N/A)
- For softball, also chalk the pitcher's circle (AA and above). The pitcher's circle should be a circular area with an 8-foot radius, drawn from the center of the front edge of the pitcher's plate.
- Ensure the home team dugout is clean before leaving the field.

The Visiting team after all games:

- Replace the bases and equipment in the locking bin and secure the lock.
- For weeknight games drag the field. For weekend games drag the field after the last game. If another team is not at the field when your game ends, assume you are the last game.
- Ensure the visiting team dugout is clean before leaving the field.
- Put away the scoreboard (if applicable)
- Check and lock the score booth door.
- It is the responsibility of both teams to keep the equipment boxes clean and organized.

FOR ALL PRACTICES:

- Drag dirt infield
- Remove all bases and other equipment used and lock in scorebooth, equipment boxes, or chain and lock (i.e. L-screens)
- Insert base pegs
- Cover home plate and/or the pitching mound with mats (if applicable at respective field)

Note: manager and coaches are responsible for leaving the fields in good condition with all equipment locked up.

19. Season Halfway Point

There are some rules that change at the halfway point of the season. For the 2025 season the halfway point is **April 13th 2025**.

20. TEE-BALL DIVISION INFORMATION

Tee-Ball player candidates must be:

League Age four (4) and five (5) years old. Player candidates for the Tee-Ball Division are considered to have Beginner level skills.

Volunteers who have completed all background checks and required training are allowed and encouraged to be on the field and in the dugout to help facilitate the game.

This division is considered a non-competitive program and as such, team scores shall **NOT** be recorded.

The Player Agent shall form Tee-Ball teams based on the school of attendance by the player, and/or such other criteria as developed by the Board of Directors. Retention of players from the prior year to specific teams shall not occur (however coaches and parents at the Tee-Ball and Rookie level can request players during the registration process and the league will attempt to honor such requests). Replacement players shall only come from a waiting list maintained by the League, if available. Team Managers are responsible for contacting the Player Agent if a player quits, moves, or is no longer playing.

Fair play Rules:

- Players shall utilize the continuous batting rule. All players listed on the team roster shall bat. The batting order should be rotated every game, every child should get an opportunity to bat near the top of the order. One possible solution is rotate the top 3 players in the line up to the bottom for the next game. Repeating this process every game will give every player an equal opportunity.
- Teams will place ALL players (up to 12) on the field defensively each inning with the extra players placed in the outfield. Players should be rotated to different positions during the game to ensure player development. All Players should be given an opportunity to play every position throughout the game. A player should not play an outfield position two consecutive innings in a row. A player shall not play the same infield position 3 or more times in a single game. No player shall sit the bench two innings in a row.
- Managers may not switch players positions during an inning for “strategic positioning.” Player positions can only be changing during an inning if a player is injured or a pitching change occurs.

Playing Rules:

- All Tee-Ball games shall have a 90-minute time limit. When time is up, play shall cease immediately. There is no limit on the number of innings that can/must be played per game. There will be no catchers in the tee-ball division.
- The league does not provide umpires for T-Ball, instead team managers will officiate the game.
- A softer baseball is used for the T-Ball Division.
- The player / pitcher shall wear a protective helmet with a face guard at all times.
- Base stealing and bunting are not allowed.
- A base runner may NOT advance on an overthrow.
- There shall be no protests or protest situations in this Division.
- Players during the game are not allowed to pitch.
- The batting tee shall be placed in front of home plate and the batter shall hit the ball off the tee. No balls or strikes will be called; and there will be no strikeouts.
- When hitting off the tee, the batter will be allowed a maximum of seven (7) swings to hit the ball in fair territory. Failure to do so will result in the batter being retired.
- A batted ball must go beyond an arc drawn ten (10) feet in front of home plate, baseline to baseline to be fair territory, and otherwise it is considered a foul ball.
- Half innings shall end following the completion of the “continuous batting” rule (all players have been up to bat in that inning). The Manager of the team batting is strongly encouraged to tell the opposing Manager when the last batter is approaching the plate. It should be noted that once the game starts, the batting order should not change. When the last batter due up during that inning has completed his/her turn at bat, play stops as soon as the ball is returned to home plate. Any defensive player is eligible to terminate the inning by holding the ball and stepping on home plate.
- There are no outs in Tee Ball. A player who is out will move to the closest open base.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

21. MINOR ROOKIE DIVISION INFORMATION

Rookie Division player candidates must be:

- League age of five (5) and have completed one year of Little League Tee Ball, or six (6) years old. Parents of six-year olds who have not played official tee ball may request waiver from Player Agent based on evaluation of skills and knowledge. Five (5) years old players who have previously played T-Ball can request an evaluation and can play rookie if approved by the Player Agent.
- Parents may request to play down a year in age (7-year olds).
- A 7 year old may also be placed in Rookie Division by the Player Agent if after an evaluation the player skill level is better aligned with the Rookie Division.
- Coaches and parents who have completed all background checks and required training are allowed and encouraged to be on the field and in the dugout to help facilitate the game.
- The Player Agent shall form Rookie teams based on the school of attendance by the player, and/or such other criteria as developed by the Board of Directors. Retention of players from the prior year to specific teams shall not occur (however coaches and parents at the Tee-Ball and Rookie level can request players during the registration process and the league will attempt to honor such requests). Replacement players shall only come from a waiting list maintained by the League, if available. Team Managers are responsible for contacting the Player Agent if a player quits, moves, or is no longer playing.

Fair Play Rules

- Teams will place ALL players (up to 12) on the field defensively each inning with the extra players placed in the outfield. Players should be rotated to different positions during the game to ensure player development. All Players should be given an opportunity to play every position throughout the game. A player should not play an outfield position two consecutive innings in a row. A player shall not play the same infield position 3 or more times in a single game. No player shall sit the bench two innings in a row.
- If a team has more than 12 players a player may not sit the bench twice until every player has sat on the bench at least once. Reasonable attempts should be made to start players that did not start the prior game.
- Players shall utilize the continuous batting rule and all players on the roster card shall bat whether or not they are playing defensively in the field. The batting order should be rotated every game, every child should get an opportunity to bat near the top of the order. One possible solution is rotate the top 3 players in the line up to the bottom for the next game. Repeating this process every game will give every player an equal opportunity.
- Managers may not switch players positions during an inning for “strategic positioning.” Player positions can only be changing during an inning if a player is injured or a pitching change occurs.

Playing Rules

- The Rookie Division is considered a non-competitive program and as such, team scores shall **NOT** be recorded. There will be no official team standings. All Rookie games shall have a 90-minute time limit on weeknights and a 120-minute time limit on weekends. When time is up, play shall cease immediately.
- Volunteers who have completed all background checks and required training are allowed and encouraged to be on the field and in the dugout to help facilitate the game.
- At least one adult volunteer is required to be in the dugout when players are present in the dugout.
- The league does not provide umpires for Rookie, instead team managers will officiate the game.
- A softer baseball is used for the Rookie Division.

- Rookie Division is Coach pitch only (no players are allowed to pitch).
- Rookie defensive positions shall consist of up to 12 players on the field with extra players being placed in the outfield. Outfield positions should be positioned on the outfield grass and not be used for the infield positions.
- To end an inning, one of the following must occur:
 - o Obtain three (3) outs, or
 - o Each player has completed 1 at bat during the inning. When the last batter due up in the inning has completed her/his turn at bat, play stops as soon as the ball is returned to the pitcher. The Manager of the team batting is strongly encouraged to tell the opposing Manager when the last batter is approaching the plate.
 - o If the inning ends by three outs the following inning will start with the next batter in the line up and end at three outs or prior to that batter batting a second time. In the Rookie Division, a batter should never bat twice in one inning.
- A batted ball must go beyond an arc drawn ten (10) feet from home plate, baseline to baseline, to be in fair territory; otherwise it is considered a foul ball.
- The player / catcher shall wear full catcher's equipment, including a protective cup, and shall place each pitched ball into a bucket by home plate. Dangling throat protectors must be affixed to the catcher's mask.
- The player / pitcher shall wear a protective helmet with a facemask and shall stand on either side of the pitching coach. The adult coach pitcher shall not receive the ball from any player other than the player / pitcher when possible.
- Base stealing and bunting are not allowed in this division. A player bunting or stealing a base will be called out and runners cannot advance.
- Sliding is permitted, however there will be no head-first slides allowed.
- A base runner may advance only one base on an overthrow, except on a return throw to the pitcher. A base runner may not advance on an overthrow back to the pitcher. Only one overthrow per play.
- Play is stopped when the ball is thrown to the player / pitcher, regardless if s/he has control of the ball.
- There will not be any formal game protest regarding rules in this Division; however, the Division Manager is always very interested in any input that will improve the kids' experience from Managers, Coaches or Parents.
- The game will end when any of the following conditions occur:
 - o At the completion of six (6) innings.
 - o When the time limit has been reached, regardless of the position in the inning.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

Coach Pitching rules:

- The offensive manager, coach, or other adult will pitch to their own team.
- No balls or strikes will be called.
- Five (5) coach pitches will be delivered to each batter.
- If the batter fouls off the final coach pitch, the batter will be allowed another pitch. An at-bat cannot end on a foul ball.

- For the first half of the season, if the batter fails to hit a ball into fair territory on the 5th pitch, a tee shall be placed for the batter and the batter will get two (2) swings to attempt to hit the ball into fair territory. If after the two swings from the tee the batter fails to hit the ball into fair territory, the batter will be called out.
- For the second half of the season, if the batter fails to hit the ball into fair territory on or after the 5th pitch, the batter will be called out. However, if the batter hits a ball into foul territory on or after the 5th pitch, the batter will receive another pitch

22. MINOR A DIVISION INFORMATION

Minor A Division player candidates must be:

- Seven (7) years old or eight (8) year olds playing for the first time.
- League age of six (6) with Player Agent approval and a previous year of rookie experience may be drafted into Minor A Division if the player is drafted within the top 25%.
- Parents may request to play down a year in age (8-year olds).
- Eight (8) year olds not drafted to AA.
- A 9 year old may also be placed in Single A Division by the Player Agent if after an evaluation the player skill level is better aligned with the Single A Division.

Team Selection

- For Single A a draft system will be used to assign teams. Teams will be assigned/drafted based on results of the evaluation.
- Rules for the draft are detailed in the Appendix

Playoffs

Single A division has a playoff tournament at the end of the season. The seeding for the tournament bracket is determined by random draw. The regular season standings have no impact on playoffs. The league hopes this encourages managers to give all kids equal opportunity to play during the regular season since the win/loss of a single game has no long term impacts. Time limit is still in effect for playoffs in Single A Division

Fair Play Rules

- Players shall utilize the continuous batting rule and all players on the roster card shall bat whether or not they are playing defensively in the field.
- The batting order should be rotated every game, every child should get an opportunity to bat near the top of the order. One possible solution is rotate the top 3 players in the line up to the bottom for the next game. Repeating this process every game will give every player an equal opportunity. This rule does not apply during playoffs.
- Players shall play in the infield at least 2 innings as well as the outfield 1 inning **by the end of the 4th inning.**
- Players shall not play more than 2 innings in any one position
- Players shall not sit a second time until all players on the roster have sat at least once in that game.
- No player may sit two innings in a row.
- In the event of a shortened game, players must play in 3 of the first 4 innings. Players who did not get 2 innings in the infield due to a shortened game must start the next game in the infield.

- Unless otherwise stated, fair play rules do not change during playoffs.
- Managers may not switch players positions during an inning for “strategic positioning.” Player positions can only be changing during an inning if a player is injured or a pitching change occurs.

Playing Rules

- Game starting time is defined as the **scheduled start time** rather than the declared starting time. For instance, if a game is scheduled to start at 5:30 pm, the official start time will be 5:30 pm even if the first pitch occurred at a different time whether before or after the scheduled start time.
- Game length – games are not to exceed 6 innings. No new innings after 90 minutes and a hard stop is in effect at 120 minutes 5 run rule in every inning (including the last inning). The 5 run rule is in effect for playoffs, except that unlimited runs are allowed in the sixth and subsequent innings if extra innings are played.
- Minimum 7 players, maximum 10 fielding with maximum of 6 players playing on the infield dirt
- If you are short players the empty positions must come from the outfield.
- The home team is responsible for providing a scorekeeper
- The league does not usually provide umpires for Single A, instead each team will identify an officiant for the game. During machine pitch the machine operator (batting team) shall act as the umpire for that half inning. The umpire may ask for assistance from the base coaches fair/foul balls. Base coaches should not make any call unless assistance is requested by the official umpire. If the league provides an umpire that individual will umpire the game.
- Base stealing and bunting are not allowed in this division. A player bunting or stealing a base will be called out and runners cannot advance.
- The ball is not live on throws from catcher to pitcher.
- The ball is not live during a pass ball situation.
- Runners can advance 1 base on an overthrow per batter. No other advances or overthrows may happen. On an outfield hit, once the ball is back in the infield no other advances or overthrows count.
- A play is over when the ball has been intentionally thrown by an infielder to the pitcher in the pitcher’s circle regardless of the pitcher catching the ball or not. At this point all play is stopped and the pitcher may not attempt to get another out. If the runner is less than halfway to the next base the runner must return to the last base acquired.
- If an outfielder fields the ball while standing on the grass the play is over once it is thrown to an infielder and the infielder has position of the ball. Overthrow rules still apply. If an outfielder runs into the infield to field a ball the infield rule above applies.
- A base runner is not guaranteed a base on an overthrow, they should not be awarded a base after the play is dead due to an overthrow.
- Conclusion of an Inning - A team’s turn at bat ends after 3 outs or 5 runs in an inning. A player may bat twice in a single inning.
- If a manager inadvertently catches a line-drive hit while operating the pitching machine, the ball is dead and the pitch is thrown again. The play and pitch does not count. If the ball hits the coach or the machine, the play is dead and the pitch does not count.
- The player / catcher shall wear full catcher’s equipment, including a protective cup.
- The player / pitcher shall wear a protective helmet with a face mask and shall stand on either side of the pitching coach when the coach is pitching or once the kid-pitch portion of the season commences
- Sliding is permitted, however there will be no head-first slides allowed.
- There is no drop third strike rule.
- Coaches are not allowed on the field unless they are operating the pitching machine or backing up the catcher.
- Little League Rule 4.1 is in effect if a team is up by 15 runs in the third inning, 10 runs in the 4th inning and 8 runs in the 5th inning. The home team, if losing, has the ability to bat in the bottom of the inning in question.

For instance, if the home team is losing by 15 runs in the middle of the third inning after the visiting team has batted, the home team will bat. If the home team is still losing by 15 or more runs after the completion of the bottom of the third inning, the game will be declared as complete.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

Pitching Rules for Minor A Division

Games are machine pitch only. The batter is allowed up to five (5) machine pitches. There are no called balls or strikes for the machine pitches, however, if the batter does not swing at a “bad pitch” the pitch will not count against the allowed 5 machine pitches. A “bad pitch” is a ball clearly out of the strike zone such that it is over the batter’s head or lands in the dirt. If the batter has not put the ball in play after five (5) machine pitches, the batter is out. If the last pitch is fouled, another pitch is allowed until the ball is put in play or missed by the batter.

The Player Agent and/or Vice President will discuss with the Single A managers the pitching machine settings to use throughout the season so that all teams use the same settings. The first half of the season will use a standard setting and the second half of the season will use a faster setting.

Managers and coaches are strongly encouraged to emphasize and teach proper throwing mechanics. This will greatly help our players when they move up to AA where there is no machine pitch and players pitch from the mound at 46 feet to home plate. The league will hold various pitching clinics to help with the transition to “kid pitch.”

23. MINOR DIVISION AA INFORMATION

Minor AA (Double A) Division player candidates must be:

- Eight (8) or nine (9) years old
- Ten (10) year olds not drafted to AAA.
- Interested and experienced seven (7) year olds with Player Agent approval and the player must be drafted within the top 25%. This is subject to the following: If there are a set number of age-appropriate players in any division available to be drafted, then the number of underage players eligible to be drafted is adjusted to accommodate all age-appropriate players in that division. This means that there could be no availability for an underage player to be drafted in the AA division, even within the top 25%.

Team Formation

- For Double A a draft system will be used to assign teams. Teams will be assigned/drafted based on results of the evaluation.
- Rules for the draft are detailed in the Appendix

Playoffs

AA division holds a playoff tournament at the end of the season. The seeding for the tournament bracket is determined by the standings in the second half of the season. The first half of the season standings have no impact on playoffs. The league hopes this encourages managers to give all kids equal opportunity to play during the first half of the regular season since the win/loss of a single game has no long term impacts. Fair play rules are slightly different in the first half of the season. Time limit is still in effect for playoffs in AA Division

Fair Play Rules

- Dublin Little League, a recreational league, stresses the development of ALL players. Managers and coaches must develop players by training them in at least two to three positions and that each player has exposure to the infield positions. Set positions, and sitting out the same players each game prohibited. The minor division is a training division and DLL is a recreational league. Parents are paying for their children to learn and develop their skills.
- Managers are encouraged to give all players more than the minimum playing time.
- In addition, Dublin Little League requires all AA players to play a minimum of 6 defensive outs in any infield position (C, P, 1B, 2B, SS, 3B) before the end of the 4th inning.
- If a player does not complete their minimum play in a shortened game, and was available to play for the entire game, the player, if present at the start of the next game, must start that next game and complete their minimum play in that next game before being removed. This rule is subordinate to Regulation IV(i) of the Little League Official Playing Rules, which dictates minimum play in non-shortened games.
- Each player must sit on the bench one inning before a player may sit on the bench a second time in a single game.
- No player may sit two innings in a row.
- Players shall utilize the continuous batting rule. All players listed on the roster card shall bat whether or not they are playing defensively in the field. This shall not affect the inning ending at three outs.
- The batting order should be rotated every game, every child should get an opportunity to bat near the top of the order. One possible solution is rotate the top 3 players in the line up to the bottom for the next game. Repeating this process every game will give every player an equal opportunity. This rule does not apply during playoffs.
- Managers may not switch players positions during an inning for “strategic positioning.” Player positions can only be changing during an inning if a player is injured or a pitching change occurs.

Playing Rules:

- The pitch count, days of rest, and game of rest are stipulated by Regulation VI in the Official Little League rulebook. Dublin Little League has reduced the number of pitches allowed in the month of March. Please see the table in Section 27 for pitching regulations. In AA, Dublin Little League limits pitchers to a maximum 3 innings (9 outs) per game even if they are below the pitch count thresholds as defined in Section 27.
- For kids who play on multiple teams, pitch count rules and rest days apply to pitching done during those games as well. The responsibility to inform the coach of pitch counts from other teams falls on the parent of the child. Failure to accurately do so may result in disciplinary action. This is for the child’s safety, more and more kids are ruining their arms with overpitching.
- 12-year-old players cannot pitch in Minor AA per Regulation VI(j).
- When the bases are loaded (players on first, second, and third), the batter will be given a walk after four balls (non-strikes) are pitched.
- A limit of three (3) runs will be allowed for innings one (1) through five (5). Unlimited runs are allowed in the declared last inning (if applicable) or the sixth and subsequent innings if extra innings are played. During the second half of the season and the playoffs the limit goes up to 5 runs for innings one (1) through five (5).
- In the event that a player hits a “clean” home run (which is determined by the umpire), all runs forced to score by that action will be recorded during that inning (even if it is more than five runs)
- **During the regular season Pitchers are only allowed to pitch their pitch count threshold or 3 innings, whichever comes first. During the playoffs the 3-inning threshold is removed;** however the pitch count threshold remains.
- For the first half of the season, runners will not be allowed to steal home on a wild pitch or a passed ball.

- There is no delayed stealing of any bases on a throw back from catcher to pitcher.
- There is no drop third strike rule.
- Little League Rule 4.1 is in effect. 15 runs in the third inning, 10 runs in the 4th inning and 8 runs in the 5th inning.
- Official team standings will not be tracked for the first half of the season (prior to the start of the spring season, the date when the official standings will be tracked will be defined and communicated to all managers). The league hopes this encourages managers to give all kids equal opportunity to play multiple positions during the first half of the season since the win/loss of a single game has no impact on the standings in the first half of the season.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

Time Limits:

- Game starting time is defined as the **scheduled start time** rather than the declared starting time. For instance, if a game is scheduled to start at 5:30 pm, the official start time will be 5:30 pm even if the first pitch occurred at a different time whether before or after the scheduled start time.
- No new inning shall start after 2 hours of play on any single day.
Unlimited runs allowed in the declared last inning, as declared by both managers and umpire. Umpire and official scorekeeper must agree on time stoppage for final inning. In all cases if the game stands at 90 minutes or more at the beginning of the 4th inning, the 4th inning is automatically declared the final inning due to pace and unlimited runs are allowed.
- The plate umpire shall end any game still in progress at 2 ½ hours of play in any single day.
- *If a game is ended due to these time limits, scoring is determined according to the Official Little League Baseball Rule book*

Player Assignments / Replacement Rules

Once rosters are set any player asked to move up a division (i.e. Minor AA to Minor AAA) is encouraged to do so, however it is not mandatory. If a player refuses to move up, that player will not be eligible to move up at a later date during that same season. In order to move up a division, the player must have participated in try-outs.

For a player to move up a division, the Player Agent and the League President must approve in writing the roster change.

No player can be elevated from the Minor Divisions during the last two (2) weeks of the regular season.

Loss of Player Guidelines

If, for any justifiable reason, a team loses a player during the season, the Manager shall contact the Division Director and Player Agent within 24 hours. The Player Agent to fill the vacancy as follows:

Replacement players will come from eligible players in the following order:

- Any players on the AA waiting list. They will be placed on teams in order of sign-ups as openings occur.
- If no players are on the waiting list, the League President, Player Agent, and Division Director will pick from a list of AA age appropriate players from Minor A. Selection criteria will include age, skill level, and impact to Single A team.
- A player may turn down being pulled up as part of this process.

24. MINOR AAA DIVISION INFORMATION

Minor AAA Division player candidates must be:

- Ten (10) and eleven (11) year olds.
Interested and experienced nine (9) year olds with Player Agent approval and the player must be drafted within the top 25%. This is subject to the following: If there are a set number of age-appropriate players in any division available to be drafted, then the number of underage players eligible to be drafted is adjusted to accommodate all age-appropriate players in that division. This means that there could be no availability for an underage player to be drafted in the AAA division, even within the top 25%.
Twelve (12) year olds who wish to play AAA must have their parents request an age waiver to play down. This waiver will be approved by the Player Agent and needs to be submitted to Little League International for further approval.

Team Formation

- For AAA a draft system will be used to assign teams. Teams will be assigned/drafted based on results of the evaluation.
- Rules for the draft are detailed in the Appendix

Playoffs

AAA division has a playoff tournament at the end of the season. The seeding for the tournament bracket is determined by the standings in the regular season. The fair play rules do not change during playoffs. No scheduled stop time for playoff games, except due to darkness/safety.

Fair Play Rules

- No new inning shall start after 2 hours of play on any single day.
- The plate umpire shall end any game still in progress at 2 ½ hours of play in any single day.
- *If a game is ended due to these time limits, scoring is determined according to the Official Little League Baseball Rule book*

Player Assignments / Replacement Rules

Any player asked to move up a division (i.e. Minor AA to Minor AAA) is encouraged to do so, however it is not mandatory. If a player refuses to move up, that player will not be eligible to move up at a later date during that same season. In order to move up a division, the player must have participated in try-outs.

For a player to move up a division, the Player Agent and the League President must approve in writing the roster change.

No player can be elevated from the Minor Divisions during the last two (2) weeks of the regular season.

Loss of Player Guidelines

If, for any justifiable reason, a team loses a player during the season, the Manager shall contact the Division Director and Player Agent within 24 hours.

Replacement players will come from eligible players in the following order:

- Any players on the AAA waiting list. They will be placed on teams in order of sign-ups as openings occur.
- If no players are on the waiting list, the League President, Player Agent, and Division Director will pick from a list of AAA age appropriate players from Minor AA. Selection criteria will include age, skill level, and impact to Double A team.
- A player may turn down being pulled up as part of this process.

25. MAJORS DIVISION INFORMATION

Majors Division player candidates must be:

- League age eleven (11) and twelve (12) year olds.
- Interested and experienced ten (10) year olds with Player Agent approval and the player must be drafted within the top 25%. This is subject to the following: If there are a set number of age-appropriate players in any division available to be drafted, then the number of underage players eligible to be drafted is adjusted to accommodate all age-appropriate players in that division. This means that there could be no availability for an underage player to be drafted in the AAA division, even within the top 25%.
- Per Little League rules, all twelve (12) year old candidates will be placed on a Majors Division team unless specifically requested to play down by the candidate's parent/guardian. Parents/guardians who wish their child to play down must complete a Regulation V(a) waiver form and submit it to the Player Agent.

Team Formation

- For Majors a draft system will be used to assign teams. Teams will be assigned/drafted based on results of the evaluation.
- The Major players will not be retained from season to season on the same team.
- Rules for the draft are detailed in the Appendix

Playoffs

Majors division has a playoff tournament at the end of the season. The seeding for the tournament bracket is determined by the standings in the regular season. The fair play rules do not change during playoffs. No scheduled stop time for playoff games, except due to darkness/safety.

Fair Play Rules

- Managers are encouraged to give all players more than the minimum playing time.
- In addition, Dublin Little League requires all majors players to play a minimum of 9 defensive outs in any position.
- If a player does not complete their minimum play in a shortened game, and was available to play for the entire game, the player, if present at the start of the next game, must start that next game and complete their minimum

play in that next game before being removed. This rule is subordinate to Regulation IV(i) of the Little League Official Playing Rules, which dictates minimum play in non-shorted games.

- Each player must sit on the bench one inning before a player may sit on the bench a second time in a single game.
- No player may sit two innings in a row.
- Players shall utilize the continuous batting rule. All players listed on the roster card shall bat whether or not they are playing defensively in the field. This shall not affect the inning ending at three outs.
- Managers may not switch players positions during an inning for “strategic positioning.” Player positions can only be changing during an inning if a player is injured or a pitching change occurs.
- For Majors Division only, a starting pitcher who is pitching a no hitter going into the 6th inning and has not reached their pitch limit may continue pitching, breaking the fair play rule about every player sits once before someone sits twice. The player that had to sit twice will not sit once in the next game and the pitcher who didn’t sit will sit twice in the next game.

Playing Rules:

- The pitch count, days of rest, and game of rest are stipulated by Regulation VI in the Official Little League rulebook.
- For kids who play on multiple teams, pitch count rules and rest days apply to pitching done during those games as well. The responsibility to inform the coach of pitch counts from other teams falls on the parent of the child. Failure to accurately do so may result in disciplinary action. This is for the child’s safety, more and more kids are ruining their arms with overpitching.
- There is no run limit per inning.
Little League Rule 4.1 is in effect. 15 runs in the third inning, 10 runs in the 4th inning and 8 runs in the 5th inning.
- Dropped third strike rule is in effect.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

Time Limits

- Game starting time is defined as the **scheduled start time** rather than the declared starting time. For instance, if a game is scheduled to start at 5:30 pm, the official start time will be 5:30 pm even if the first pitch occurred at a different time whether before or after the scheduled start time.
- No new inning shall start after 135 minutes of play on any single day.
- The plate umpire shall end any game still in progress at 2 ½ hours of play in any single day.
- *If a game is ended due to these time limits, scoring is determined according to the Official Little League Baseball Rule book*

Player Assignment / Replacement

Candidates will be assigned per the draft prior to the beginning of the season. Any player asked to move up to majors after the draft selection is encouraged to do so, however, it is not mandatory. If a player refuses to move up when requested, the player is not eligible to move up at a later date during the same season. In order to be eligible to move onto a Majors team, players must have participated in the skills evaluation or have completed one-quarter (¼) of the season at the Minor AAA level.

For a player to move up a division, the Player Agent and the League President must approve in writing the roster change.

Loss of Player Guidelines

If, for any justifiable reason, a team loses a player during the season, the Manager shall contact the Division Director and Player Agent within 24 hours.

Replacement players will come from eligible players in the following order:

- Any players on the AAA waiting list. They will be placed on teams in order of sign-ups as openings occur.
- If no players are on the waiting list, the League President, Player Agent, and Division Director will pick from a list of Major age appropriate players from Minor AAA. Selection criteria will include age, skill level, and impact to AA team.
- A player may turn down being pulled up as part of this process.
- The pitching regulations still apply for the replacement player.
- No player can be elevated from the Minor League program during the last two (2) weeks of the regular season.

26. INTERMEDIATES, JUNIOR AND SENIOR DIVISION INFORMATION

Intermediates Division player candidates must be league age thirteen (13) . Junior Division player candidates must be league age fourteen (14). Senior Division player candidates must be league age fifteen (15) or sixteen (16). All candidates must complete a player evaluation to be eligible for the draft. League age 12 (twelve) or younger are not eligible for the Intermediates or Junior division.

Team Formation

Intermediates Division teams shall be selected by a player draft. These teams will not retain players from year to year.

Junior Division teams shall be selected by a player draft. These teams will not retain players from year to year.

Senior Division teams shall be selected by a player draft as well. These teams will retain players from year to year.

Playing Rules

Play shall follow applicable guidelines outlined in the Official Rulebook. Any modifications to the rules and any local rules governing play shall be composed by the District 57 Juniors/Seniors/Big League Director(s).

Player Assignment and Replacement

If, for any justifiable reason a team loses a player during the season, the Team Manager shall within 24 hours report the loss to the Division Director and Player Agent. Player placement will come from eligible players on the waiting list, if any. The candidates who participated in the evaluations will have priority over late registration applicants.

Manager's Option

A Team Manager who has a player(s) eligible under the Official Rules for the draft who wishes to draft them must state so in writing to the player agent prior to the draft. If so stated, the parent-manager is required to exercise this option prior to the close of the specific draft round depending on League Age of players. Parent-manager option takes priority over any other options.

27. SOFTBALL DIVISION INFORMATION

27.1. SOFTBALL MINOR TEE-BALL DIVISION

Tee-Ball player candidates must be:

League Age four (4) and five (5) years old. Player candidates for the Tee-Ball Division are considered to have Beginner level skills. DLL may have separate Baseball and Softball Tee-Ball Divisions.

Volunteers who have completed all background checks and required training are allowed and encouraged to be on the field and in the dugout to help facilitate the game.

This division is considered a non-competitive program and as such, team scores shall **NOT** be recorded.

The Softball Player Agent shall form Tee-Ball teams based on the school of attendance by the player, and/or such other criteria as developed by the Board of Directors. Retention of players from the prior year to specific teams shall not occur (however coaches and parents at the Tee-Ball and Rookie level can request players during the registration process and the league will attempt to honor such requests). Replacement players shall only come from a waiting list maintained by the League, if available. Team Managers are responsible for contacting the Player Agent if a player quits, moves, or is no longer playing.

Fair play Rules:

- Players shall utilize the continuous batting rule. All players listed on the team roster shall bat. The batting order should be rotated every game, every child should get an opportunity to bat near the top of the order. One possible solution is rotate the top 3 players in the line up to the bottom for the next game. Repeating this process every game will give every player an equal opportunity.
- Teams will place ALL players (up to 12) on the field defensively each inning with the extra players placed in the outfield. Players should be rotated to different positions during the game to ensure player development. All Players should be given an opportunity to play every position throughout the game. A player should not play an outfield position two consecutive innings in a row. A player shall not play the same infield position 3 or more times in a single game. No player shall sit the bench two innings in a row.
- Managers may not switch players positions during an inning for "strategic positioning." Player positions can only be changing during an inning if a player is injured or a pitching change occurs.

Playing Rules:

- All Tee-Ball games shall have a 90-minute time limit. When time is up, play shall cease immediately. There is no limit on the number of innings that can/must be played per game. There will be no catchers in the tee-ball division.
- The league does not provide umpires for T-Ball, instead team managers will officiate the game.
- The Softball T-Ball Division will use a 10-inch Safety Softball (a softer ball designed for younger players).

- The player / pitcher shall wear a protective helmet with a face guard at all times.
- Base stealing and bunting are not allowed.
- A base runner may NOT advance on an overthrow.
- There shall be no protests or protest situations in this Division.
- Players during the game are not allowed to pitch.
- The batting tee shall be placed in front of home plate and the batter shall hit the ball off the tee. No balls or strikes will be called; and there will be no strikeouts.
- When hitting off the tee, the batter will be allowed a maximum of seven (7) swings to hit the ball in fair territory. Failure to do so will result in the batter being retired.
- A batted ball must go beyond an arc drawn ten (10) feet in front of home plate, baseline to baseline to be fair territory, and otherwise it is considered a foul ball.
- Half innings shall end following the completion of the “continuous batting” rule (all players have been up to bat in that inning). The Manager of the team batting is strongly encouraged to tell the opposing Manager when the last batter is approaching the plate. It should be noted that once the game starts, the batting order should not change. When the last batter due up during that inning has completed his/her turn at bat, play stops as soon as the ball is returned to home plate. Any defensive player is eligible to terminate the inning by holding the ball and stepping on home plate.
- There are no outs in Tee Ball. A player who is out will move to the closest open base.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

27.2. SOFTBALL MINOR SINGLE A DIVISION

Single A Softball Division player candidates must be:

- League age of five (5) and have completed one year of Little League Tee Ball, or
- League age of six (6) or seven (7) years old. Parents of five-year-olds who have not played official tee ball may request an evaluation from the Player Agent and can play Single A if approved by the Player Agent.
- Parents may request to play down a year in age (8-year olds).
- An 8-year-old may also be placed in Single A Division by the Player Agent if after an evaluation the player skill level is better aligned with the Single A Division.
- Coaches and parents who have completed all background checks and required training are allowed and encouraged to be on the field and in the dugout to help facilitate the game.

Fair Play Rules

- Teams will place ALL players (up to 12) on the field defensively each inning with the extra players placed in the outfield. Players should be rotated to different positions during the game to ensure player development. All players should be given an opportunity to play every position throughout the game. A player should not play an outfield position two consecutive innings in a row. A player shall not play the same infield position 3 or more times in a single game. No player shall sit the bench two innings in a row.
- A player may not sit the bench twice until every player has sat on the bench at least once.
- Players shall utilize the continuous batting rule and all players on the roster card shall bat whether or not they are playing defensively in the field. The batting order should be rotated every game, every child should get an opportunity to bat near the top of the order. One possible solution is rotate the top 3 players in the line up to the bottom for the next game. Repeating this process every game will give every player an equal opportunity.
- Reasonable attempts should be made to start players that did not start the prior game.

Playing Rules

- The Single A Division is considered a non-competitive program and as such, team scores shall **NOT** be recorded. There will be no official team standings. All Single A games shall have a 90-minute time limit. When time is up, play shall cease immediately.
- Coaches and parents who have completed all background checks and required training are allowed and encouraged to be on the field and in the dugout to help facilitate the game.
- The league does not provide umpires for Single A, instead team managers will officiate the game.
- A softer 10” safety softball is used for the Single A Division.
- Single A Softball Division is Coach pitch only (no players are allowed to pitch).
- Single A defensive positions shall consist of up to 12 players on the field with extra players being placed in the outfield. Outfield positions should be positioned on the outfield grass and not be used for the infield positions.
- To end an inning, one of the following must occur:
 - o Obtain three (3) outs, or
 - o Each player has completed 1 at bat during the inning. When the last batter due up in the inning has completed her turn at bat, play stops as soon as the ball is returned to the pitcher. The Manager of the team batting is strongly encouraged to tell the opposing Manager when the last batter is approaching the plate.
 - o If the inning ends by three outs the following inning will start with the next batter in the line up and end at three outs or prior to that batter batting a second time. In the Single A Division, a batter should never bat twice in one inning.
- A batted ball must go beyond an arc drawn ten (10) feet from home plate, baseline to baseline, to be in fair territory; otherwise it is considered a foul ball.
- If catchers are used, the player / catcher shall wear full catcher’s equipment. Dangling throat protectors must be affixed to the catcher’s mask.
- The player / pitcher shall wear a protective helmet with a facemask and shall stand on either side of the pitching coach. The adult coach pitcher shall not receive the ball from any player other than the player / pitcher when possible.
- Base stealing and bunting are not allowed in this division. A player bunting or stealing a base will be called out and runners cannot advance.
- Sliding is permitted, however there will be no head-first slides allowed.
- A base runner may advance only one base on an overthrow, except on a return throw to the pitcher. A base runner may not advance on an overthrow back to the pitcher. Only one overthrow per play.
- Play is stopped when the ball is thrown to the player / pitcher, regardless if she has control of the ball.
- There will not be any formal game protest regarding rules in this Division; however, the Division Manager is always very interested in any input that will improve the kids’ experience from Managers, Coaches or Parents.
- The game will end when any of the following conditions occur:
 - o At the completion of six (6) innings.
 - o When the time limit has been reached, regardless of the position in the inning.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

Coach Pitching rules:

- The offensive manager, coach, or other adult will pitch to their own team.
- No balls or strikes will be called.
- Three (3) coach pitches will be delivered to each batter for the first half of season, five (5) coach pitches for second half of season. If the batter fouls off the final coach pitch, the batter will be allowed another pitch.
- For the first half of the season, if the batter fails to hit a ball into fair territory on the 3rd pitch, a tee shall be placed for the batter and the batter will get two (2) swings to attempt to hit the ball into fair territory. If after the two swings from the tee the batter fails to hit the ball into fair territory, the batter will be called out. For the second half of the season, if the batter fails to hit the ball into fair territory on or after the 5th pitch, the batter will be called out. However, if the batter hits a ball into foul territory on or after the 5th pitch, the batter will receive another pitch

27.3. SOFTBALL MINOR AA DIVISION

Softball Minor AA Division player candidates must be:

- Eight (8) years old
- League age of seven (7) and have previously played in the Single A Division, Parents of seven-year olds who did not play Single A Division may request waiver from Player Agent based on evaluation of skills and knowledge.
- League age of six (6) based on evaluation of skills and knowledge only with executive board approval.
- Parents may request to play down a year in age (9-year olds).
- Parents may request an age waiver to play down (10-year olds).
- Nine (9) year olds not drafted to AAA.
- A 9 or 10 year old may also be placed in AA Division by the Player Agent if after an evaluation the player skill level is better aligned with the AA Division.

Team Selection

- For AA Softball, a draft system will be used to assign teams. Teams will be assigned/drafted based on results of the evaluation.
- Rules for the draft are detailed in the Appendix

Playoffs

The AA division has a playoff tournament at the end of the season. The seeding for the tournament bracket is determined by the standings in the second half of the season. The first half of the season standings have no impact on playoffs. The league hopes this encourages managers to give all kids equal opportunity to play during the first half of the regular season since the win/loss of a single game has no long term impacts. Fair play rules are slightly different in the first half of the season.

Fair Play Rules

- Players shall utilize the continuous batting rule and all players on the roster card shall bat whether or not they are playing defensively in the field.
- The batting order should be rotated every game, every child should get an opportunity to bat near the top of the order. One possible solution is rotate the top 3 players in the line up to the bottom for the next game. Repeating this process every game will give every player an equal opportunity. This rule does not apply during playoffs.

- In addition, Dublin Little League requires all AA players to play a minimum of 3 defensive outs in any infield position (C, P, 1B, 2B, SS, 3B). This does not apply to playoffs.
- Players shall not play more than 2 innings in any one position
- Players shall not sit a second time until all players on the roster have sat at least once in that game.
- No player may sit two innings in a row.
- In the event of a shortened game, players must play in 3 of the first 4 innings. Players who did not get 3 defensive outs in the infield due to a shortened game must start the next game in the infield.
- Unless otherwise stated, fair play rules do not change during playoffs.

Playing Rules

- Game length – games are not to exceed 6 innings. Any inning starting after 90 minutes is declared the last inning (before the inning starts). Hard stop at 105 minutes, at which point the game reverts back to the end of the last completed inning.
- 5 run rule in every inning
- Minimum 7 players, maximum 10 fielding with maximum of 6 players playing on the infield dirt
- If you are short players the empty positions must come from the outfield.
- The home team is responsible for providing a scorekeeper
- The league does not usually provide umpires for AA, instead each team will identify an officiant for the game. During coach pitch the offensive coach (batting team) shall act as the umpire for that half inning. When the season shifts to kid pitch the pitching team will act as the umpire for that half inning. The umpire may ask for assistance from the base coaches for fair/foul balls. Base coaches should not make any call unless assistance is requested by the official umpire. If the league provides an umpire that individual will umpire the game.
- Base stealing and bunting are not allowed during coach pitch in this division. A player bunting or stealing a base will be called out and runners cannot advance. During kid pitch, a runner can only leave the base when the ball crosses the plate.
- The ball is not live on throws from catcher to pitcher.
- The ball is not live during a pass ball situation (though steals are allowed with a clean caught ball).
- Runners can advance 1 base on an overthrow per batter. No other advances or overthrows may happen. On an outfield hit, once the ball is back in the infield no other advances or overthrows count
- A play is over when the ball has been intentionally thrown by an infielder to the pitcher in the pitcher's circle regardless of the pitcher catching the ball or not. At this point all play is stopped and the pitcher may not attempt to get another out. If the runner is less than halfway to the next base the runner must return to the last base acquired.
- If an outfielder throws a ball to the pitcher and the pitcher catches the ball in the pitcher's circle then the play stops as outlined above. If the pitcher misses the ball the play is still live but still subject to the 1 base advance on an overthrow per batter. We want to encourage hitting the cutoff person.
- A base runner is not guaranteed a base on an overthrow, they should not be awarded a base after the play is dead due to an overthrow.
- Conclusion of an Inning - A team's turn at bat ends after 3 outs or 5 runs in an inning. A player may bat twice in a single inning.
- If a coach inadvertently catches a line-drive hit during coach pitch, the ball is dead and the pitch is thrown again. The play and pitch does not count. If the ball hits the coach, the play is dead and the pitch does not count. Coach pitchers should make every attempt to get out of the way of the ball to allow the play to occur. If a coach obstructs a player from making a play, the same rule applies, play is dead and pitch does not count.
- The player / catcher shall wear full catcher's equipment, catcher's helmets must have throat guards.
- Sliding is permitted, however there will be no head-first slides allowed.
- There is no drop third strike rule.

- Little League Rule 4.1 is in effect. 15 runs in the third inning, 10 runs in the 4th inning and 8 runs in the 5th inning.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

Pitching Rules for AA Softball Division

The Softball Vice President, Softball Player Agent, and the AA Managers each new season will discuss prior to the first game of the season if Kid Pitch will 1) commence starting with the first game of the season or 2) half way through the season as described below. Player ability, average league age, and playing experience will contribute to the ultimate decision.

Until half way through the season or a date determined by the League, games are coach pitch only. The batter is allowed up to five (5) coach pitches. There are no called balls or strikes for the coach pitches. If the batter has not put the ball in play after five (5) coach pitches, the batter is out. If the last pitch is fouled, another pitch is allowed until the ball is put in play or missed by the batter.

The kid pitching rules are as follows:

- Player pitcher will pitch to the batter until 3 pitches are thrown, or the ball is put in play, or the batter is hit by a pitch. If three strikes are called, the batter will be called out.
- A pitching rubber will be used and shall be placed 30 feet from the rear tip of the plate.
- The batter may strike out by player pitch or coach pitch. If the pitcher completes three (3) pitches and any strikes remain, the coach will come in to pitch and will inherit the number of strikes in the count. For example if a batter has two strikes and the 3rd pitch is a ball, the coach will come in to throw one pitch to the batter. A foul ball on the third player pitch will either be strike, or if the third strike, then the pitcher will throw another pitch until a ball, strike, foul ball, or ball in play occurs.
- All pitches thrown by coaches are considered strikes.
- If the batter is hit by a player-thrown pitch, then the batter is awarded first base.

27.4. MINOR AAA SOFTBALL DIVISION

Minor AAA Division player candidates must be:

- Nine (9) or ten (10) years old
- Eleven (11) year olds not drafted to Majors.
- Interested and experienced eight (8) year olds with executive board approval.
- Twelve (12) year olds who wish to play AAA must have their parents request an age waiver to play down. This waiver will be approved by the Player Agent and needs to be submitted to Little League International for further approval.
- A 11 year old may also be placed in AAA Division by the Player Agent if after an evaluation the player skill level is better aligned with the AAA Division.

Team Formation

- For AAA a draft system will be used to assign teams. Teams will be assigned/drafted based on results of the evaluation.
- Rules for the draft are detailed in the Appendix

Playoffs

The AAA division has a playoff tournament at the end of the season. The seeding for the tournament bracket is determined by the standings in the second half of the season. The first half of the season standings have no impact on playoffs. The league hopes this encourages managers to give all kids equal opportunity to play during the first half of the regular season since the win/loss of a single game has no long term impacts. Fair play rules are slightly different in the first half of the season.

Fair Play Rules

- Dublin Little League, a recreational league, stresses the development of ALL players. Managers and coaches must develop players by training them in at least two to three positions and that each player has exposure to the infield positions. Set positions, and sitting out the same players each game prohibited. The Minor division is a training division and DLL is a recreational league. Parents are paying for their children to learn and develop their skills.
- Managers are encouraged to give all players more than the minimum playing time.
- In addition, Dublin Little League requires all AAA players to play a minimum of 3 defensive outs in any infield position (C, P, 1B, 2B, SS, 3B). This is not required for playoffs.
- If a player does not complete their minimum play in a shortened game, and was available to play for the entire game, the player, if present at the start of the next game, must start that next game and complete their minimum play in that next game before being removed. This rule is subordinate to Regulation IV(i) of the Little League Official Playing Rules, which dictates minimum play in non-shortened games.
- Each player must sit on the bench one inning before a player may sit on the bench a second time in a single game.
- No player may sit two innings in a row.
- Players shall utilize the continuous batting rule. All players listed on the roster card shall bat whether or not they are playing defensively in the field. This shall not affect the inning ending at three outs.
- The batting order should be rotated every game in the first half of the season, every child should get an opportunity to bat near the top of the order. One possible solution is rotate the top 3 players in the line up to the bottom for the next game. Repeating this process every game will give every player an equal opportunity. This rule does not apply during the second half of the season and/or playoffs.
- Little League Rule 4.1 is in effect. 15 runs in the third inning, 10 runs in the 4th inning and 8 runs in the 5th inning.

Playing Rules:

- The softball pitching limits are stipulated by Regulation VI - Pitchers in the Official Little League rulebook. Regulation VI (b) states players may pitch in a maximum of twelve (12) innings in a day. If a player pitches in seven (7) or more innings in a day, one calendar day of rest is mandatory. In AAA, Dublin Little League limits pitchers to three (3) innings (9 outs) per game, and a maximum of 21 innings per week. During the playoffs the 3-inning threshold is removed.
- For kids who play on multiple teams, pitch count rules and rest days apply to pitching done during those games as well. The responsibility to inform the coach of pitching inning counts from other teams falls on the parent of the child. Failure to accurately do so may result in disciplinary action. This is for the child's safety, more and more kids are ruining their arms with overpitching.
- 12-year-old players cannot pitch in Minor AAA per Regulation VI (a).
- When the bases are loaded (players on first, second, and third), the batter will be given a walk after four balls (non-strikes) are pitched. (Note: this may differ from Interleague play.)
- A limit of five (5) runs will be allowed for innings one (1) through five (5). Unlimited runs are allowed in the sixth and subsequent innings if extra innings are played (or during the last declared inning).

- In the event that a player hits a “clean” home run (which is determined by the umpire), all runs forced to score by that action will be recorded during that inning (even if it is more than five runs).
- There is no delayed stealing of any bases on a throw back from catcher to pitcher.
- There is no drop third strike rule in Minors softball.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

Time Limits:

- No new inning shall start after 1 hour and 45 minutes of play on any single day.
- The plate umpire shall end any game still in progress at 2 hours of play in any single day.
- *If a game is ended due to these time limits, scoring is determined according to the Official Little League Softball Rule book*

Player Assignments / Replacement Rules

Once rosters are set any player asked to move up a division (i.e. Minor AA to Minor AAA) is encouraged to do so, however it is not mandatory. If a player refuses to move up, that player will not be eligible to move up at a later date during that same season. In order to move up a division, the player must have participated in evaluations.

For a player to move up a division, the Player Agent and the League President must approve in writing the roster change. No player can be elevated from the Minor Divisions during the last two (2) weeks of the regular season.

Loss of Player Guidelines

If, for any justifiable reason, a team loses a player during the season, the Manager shall contact the Vice President of Softball and Player Agent within 24 hours. The Player Agent to fill the vacancy as follows:

Replacement players will come from eligible players in the following order:

- Any players on the AAA waiting list. They will be placed on teams in order of sign-ups as openings occur.
- If no players are on the waiting list, the League President, Player Agent, and Vice President of Softball will pick from a list of AAA age appropriate players from Minor AA. Selection criteria will include age, skill level, and impact to AA team.
- A player may turn down being pulled up as part of this process.

27.5. SOFTBALL MAJORS DIVISION

Majors Division player candidates must be:

- League age ten (10) or eleven (11).
- Twelve (12) year olds not drafted to Juniors.
- Nine (9) year olds may request to play in the Majors Division but must be approved by the Executive Board.
- Per Little League rules, all twelve (12) year old candidates will be placed on a Majors Division team unless specifically requested to play down by the candidate’s parent/guardian. Parents/guardians who wish their child to play down must complete a Regulation V(a) waiver form and submit it to the Player Agent.

Team Formation

- For Majors a draft system will be used to assign teams. Teams will be assigned/drafted based on results of the evaluation.

Dublin Little League Local Rules – 2025

- The Major players will not be retained from season to season on the same team.
- Rules for the draft are detailed in the Appendix

Fair Play Rules

- Managers are encouraged to give all players more than the minimum playing time.
- In addition, Dublin Little League requires all Majors players to play a minimum of 3 defensive outs in any infield position (C, P, 1B, 2B, SS, 3B).
- If a player does not complete their minimum play in a shortened game, and was available to play for the entire game, the player, if present at the start of the next game, must start that next game and complete their minimum play in that next game before being removed. This rule is subordinate to Regulation IV(i) of the Little League Official Playing Rules, which dictates minimum play in non-shortened games.
- Each player must sit on the bench one inning before a player may sit on the bench a second time in a single game.
- No player may sit two innings in a row.
- Players shall utilize the continuous batting rule. All players listed on the roster card shall bat whether or not they are playing defensively in the field. This shall not affect the inning ending at three outs. (Note: this may vary for Interleague play.)
- Little League Rule 4.1 is in effect. 15 runs in the third inning, 10 runs in the 4th inning and 8 runs in the 5th inning.

Playing Rules:

- The softball pitching limits are stipulated by Regulation VI - Pitchers in the Official Little League rulebook. Regulation VI (b) states players may pitch in a maximum of twelve (12) innings in a day. If a player pitches in seven (7) or more innings in a day, one calendar day of rest is mandatory. In Majors, Dublin Little League limits pitchers to five (5) innings per game, and a maximum of 21 innings per week. During the playoffs the 5-inning threshold is removed.
 - For kids who play on multiple teams, pitch count rules and rest days apply to pitching done during those games as well. The responsibility to inform the coach of pitching inning counts from other teams falls on the parent of the child. Failure to accurately do so may result in disciplinary action. This is for the child's safety, more and more kids are ruining their arms with overpitching.
- There is no run limit per inning.
- The 10- and 15-run rule will be used. Any team trailing by 15 runs or more after 3 innings or 10 or more runs after four or more innings and the game will be called.
- Dropped third strike rule is in effect.

Note: Home Team will use the 3rd base dugout, Visiting Team will use the 1st base dugout.

Time Limits

- No new inning shall start after 1 hour and 45 minutes of play on any single day. (Note: may vary for Interleague play)
- The plate umpire shall end any game still in progress at 2 hours of play in any single day.
- *If a game is ended due to these time limits, scoring is determined according to the Official Little League Softball Rule book*

Player Assignment / Replacement

Candidates will be assigned per the draft prior to the beginning of the season. Any player asked to move up to Majors after the draft selection is encouraged to do so, however, it is not mandatory. If a player refuses to move up when requested, the player is not eligible to move up at a later date during the same season. In order to be eligible to move onto a Majors team, players must have participated in the skills evaluation or have completed one-quarter ($\frac{1}{4}$) of the season at the Minor AAA level.

For a player to move up a division, the Player Agent, Vice President of Softball, and the League President must approve in writing the roster change.

Loss of Player Guidelines

If, for any justifiable reason, a team loses a player during the season, the Manager shall contact the Vice President of Softball and Player Agent within 24 hours.

Replacement players will come from eligible players in the following order:

- Any players on the Majors waiting list. They will be placed on teams in order of sign-ups as openings occur.
- If no players are on the waiting list, the League President, Player Agent, and Vice President of Softball will pick from a list of Majors age appropriate players from Minor AAA. Selection criteria will include age, skill level, and impact to AAA team.
- A player may turn down being pulled up as part of this process.
- The pitching regulations still apply for the replacement player.
- No player can be elevated from the Minor League program during the last two (2) weeks of the regular season.

27.6. SOFTBALL JUNIORS AND SENIORS DIVISIONS

Junior Division and Senior Division player candidates must be at least league age twelve (12) but no older than league age sixteen (16). All candidates must complete a player evaluation to be eligible for the draft.

Team Formation

Junior Division teams shall be selected by a player draft. These teams may retain players from year to year.

Senior Division teams shall be selected by a player draft. These teams may retain players from year to year.

Playing Rules

Play shall follow applicable guidelines outlined in the Official Rulebook. Any modifications to the rules and any local rules governing play shall be composed by the District 57 Juniors/Seniors Director(s).

Player Assignment and Replacement

If, for any justifiable reason a team loses a player during the season, the Team Manager shall within 24 hours report the loss to the Softball Player Agent and Vice President of Softball. Player placement will come from eligible players on the waiting list, if any. The candidates who participated in the evaluations will have priority over late registration applicants.

Manager's Option

A Team Manager who has a player(s) eligible under the Official Rules for the draft who wishes to draft them must state so in writing to the player agent prior to the draft. If so stated, the parent-manager is required to exercise this option prior to the close of the specific draft round depending on League Age of players. Parent-manager option takes priority over any other options.

28. Baseball Pitch Counts

Dublin Little League has created a program for limiting the number of pitches that can be thrown during the first month of the Spring Baseball Season. The table below outlines the pitching limits for the first month of the season. The standard pitch counts, outlined in Section of the Green Book, will apply starting April 1.

Note: **The final official pitch count number is the number of the first pitch thrown to the last batter faced. A pitcher, if facing a new batter and is below the pitching thresholds listed below, may finish pitching to said batter.**

League Age	Maximum Pitches Per Day				
	March	April	May	June	July
11-12	60	85	85	85	85
9-10	50	75	75	75	75
7-8	35	50	50	50	50

The following table outlines the maximum pitches that can be thrown in order to catch the rest of the same day.

League Age	Maximum Pitches to Play Catcher; Same Day, May only Catch up to 3 innings				
	March	April	May	June	July
11-12	30	40	40	40	40
9-10	25	40	40	40	40
7-8	25	40	40	40	40

*If a Catcher goes to pitcher and throws 21 or more pitches, he/she may not return to catcher that calendar day(Regulation VI. b)

Pitcher / Catcher Relationship:

Any player, who has played the position of catcher in more than three (3) innings in a game, is not eligible to pitch that calendar day. Note: the catcher receiving one pitch to a batter in a fourth (4th) inning of catching constitutes having caught more than three (3) innings. Warm-up pitches between innings do not count.

A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher during that day. A pitcher who starts the game at pitcher and delivers 40 or fewer pitches may catch up to three (3) innings during the game.

A player who played the position of catcher for less than three (3) innings, moves to the pitcher position, and delivers 21 pitches or more in the same day, may not return to the catcher position on that calendar day. A player who played the position of catcher for 3 innings or less and then delivers 20 or fewer pitches may return to the catcher's position after pitching subject to the maximum threshold of 3 innings caught in the game.

A pitcher, once removed from the mound, cannot return as a pitcher on the same calendar day.

PLEASE NOTE THAT IF A PLAYER/TEAM VIOLATES THE PITCHING OR CATCHING RULES, THE MANAGER WILL BE EJECTED FROM THE GAME AND SUSPENDED FOR THE NEXT GAME. THERE WILL BE NO FURTHER PUNISHMENT ON THE PLAYER. FOR THE MONTH OF MARCH ONLY, ONE TOTAL WARNING WILL BE ISSUED TO EACH MANAGER IF A PITCHER EXCEEDS HIS APPLICABLE ALLOTTED PITCHES. THE PITCH COUNT VIOLATION MUST BE LESS THAN OR EQUAL TO FIVE (5) PITCHES ABOVE THE ALLOTTED PITCH COUNT LIMIT FOR A WARNING TO BE CONSIDERED. THIS RULE IS GENERALLY INTENDED FOR MANAGERS NEW TO THE PITCH COUNT LIMITS AS DESCRIBED ABOVE. ANY SUSPECTED ABUSE WILL BE DISCUSSED WITHIN THE CRC.

Baseball pitchers league age 14 and under must adhere to the following rest requirements - FINAL PITCH COUNT NUMBER IS THE NUMBER OF THE <u>FIRST</u> PITCH THROWN TO THE LAST BATTER FACED					
Pitches	1-20	21-35	36-50	51-65	66+
Days Rest Required	0	1	2	3	4

Under no circumstances shall a player pitch in 3 consecutive days.

29. POSTSEASON INFORMATION

Manager Selection

Each year, a postseason committee shall be formed by the League President, consisting of no less than four board members. The postseason director will manage this committee, and will send out a postseason manager application to all AA, AAA, and Majors managers and recognized coaches by the end of March. All completed applications are due by the first Sunday of April and shall be reviewed by the DLL postseason committee. The committee shall review the managers' and coaches' performances during the year and then submit a recommendation of managers to the League President. The League President will then make the manager selections for each team.

Qualified candidates must have passed a mandatory volunteer application and have been a manager or a recognized coach during the regular Little League season.

Baseball

Little League (11-12 Year Old Division): The manager and coach(es) shall be regular season team managers and/or coaches from the Little League Baseball (Majors) Division.

Baseball

DLL is League Age Pure for the following All-Star Divisions:

- 11 Year Old All-Stars
- 10 Year Old All-Stars
- 9 Year Old Gold Tournament Team
- 8 Year Old, 9 Year Old, 10 Year Old, 11 Year Old, and 12 Year Old Tournament Teams

DLL has defined the Little League All Stars (12 year old Division) as our core team that is vying for a chance to compete all the way up to the Little League World Series in Williamsport. As such, DLL may consider League Age 11 player(s) to play up if it is deemed their presence on the roster will help the 12 year old Little League All Star team. The criteria for a League Age 11 player to be placed on the Little League All Stars (12 year old) team is as follows:

- Must be voted in within the top 25% of the Little League All Stars (12 year old Division) team (based on a 12 player roster);
- A maximum of three (3) League Age 11 players are eligible to play on the Little League All Stars (12 year old Division) team subject to the requirement above;
- Following the elimination from the official Little League Tournament play, the manager of the International All Stars (11 year old) team has the option for any 11 year old players to be called down and play for the 11 year old team (subject to the 11 year old team still eligible for official Little League Tournament play);
- If a League Age 11 player is voted on the roster based on the criteria above, there is no opt out. This means the League age 11 player cannot decide to play for his 11 Year Old All-Star team in lieu of the Little League All Stars (12 year old Division). There will be no refunds given for a player refusing to play for the Little League All Stars (12 year old Division) once the team is announced.
- In a rare circumstance, the postseason committee may consider a League Age 10 player eligible for the

Little League All Stars (12 year old Division) subject to the criteria above.

Seniors, Juniors and Intermediate Levels: The All-Star teams will consist of players from the “Gold” and House team players. The approved All Star manager, postseason committee, & Upper Division Director will invite players to the teams at their discretion.

Intermediate Level: The Intermediate level is League Age pure unless there is a shortage of League Age 13 players to form an All Star team comprised of a 12 player roster. If there is a shortage of League Age 13 players, the postseason committee may consider combining DLL’s Intermediate team with another city in our district or pulling up a player(s) from the 12 Year Old Tournament Team (Green team). In the case of a player(s) pulled up from the 12 Year Old Tournament Team (Green team), the postseason committee will assign preference based on summer evaluation scores and/or the summer ballot results. In no case will a Little League All Star (12 year old Division) player(s) be placed on the Intermediate roster (prior to Tournament elimination of the Little League All Stars 12 year old Division). Also, if there are sufficient League Age 13 Intermediate players available, a 12 Year Old Tournament Team (Green team) player will not be placed on the Intermediate All Star Team.

Following the elimination of the Little League All Stars (12 year old Division) from official Little League Tournament play, the manager of the Intermediate All Star team (in conjunction with the post season committee) has the option to call up player(s) from Little League All Stars (12 year old Division) (subject to the Intermediate All Star team still eligible for official Little League Tournament play).

Junior Level: The Junior level is League Age pure unless there is a shortage of League Age 14 players to form an All Star team comprised of a 12 player roster. If there is a shortage of League Age 14 players, the postseason committee may consider combining DLL’s Juniors team with another city in our district. Intermediate player(s) may be called up to the Juniors level only after the Intermediate All Star team is eliminated from official Little League Tournament play. In no case shall a league age 12 player be called up to play on the Junior All Star team.

Little League All Stars (12 year old): Ballots will be given to each manager in the Majors Division and to all 12 year old players no later than the first weekend of May. Votes will be tabulated (50% manager vote and 50% player vote) and the top 9 vote recipients will be placed on the All-Star team roster, subject to the approval of the postseason committee. Each manager or player will not be able to vote for players on their own team. The remaining 3 players will be selected by postseason committee members after an evaluation which all eligible 12 year olds will be invited to, regardless of the division they played in during the season. The committee shall weigh total votes, skill level, seasonal statistics (if available) and overall team needs upon creating the All-Star roster. If the committee cannot agree on a player, a vote is taken among board members.

International All Stars (11 year old): Ballots will be given to each manager in the Majors and AAA Division and to all 11 year old players no later than the first weekend of May. Votes will be tabulated (50% manager vote and 50% player vote) and the top 9 vote recipients will be placed on the All-Star team roster, subject to the approval of the postseason committee. Each manager or player will not be able to vote for players on their own team. The remaining 3 players will be selected by postseason committee members after an evaluation which all eligible 11 year olds will be invited to, regardless of the division they played in during the season. The committee shall weigh total votes, skill level, seasonal statistics (if available) and overall team needs upon creating the All-Star roster. If the committee cannot agree on a player, a vote is taken among board members.

International All Stars (10 year old): Ballots will be given to each manager in the AAA Division and to all 10 year old players no later than the first weekend of May. Votes will be tabulated (50% manager vote and 50% player vote).

player vote) and the top 9 vote recipients will be placed on the All-Star team roster, subject to the approval of the postseason committee. Each manager or player will not be able to vote for players on their own team. The remaining 3 players will be selected by postseason committee members after an evaluation which all eligible 10 year olds will be invited to, regardless of the division they played in during the season. If the committee cannot agree on a player, a vote is taken among board members.

9 Year Old Gold Tournament Team: Ballots will be given to each manager in the AAA & AA Division and to all 9 year old players no later than the first weekend of May. Votes will be tabulated (50% manager vote and 50% player vote) and the top 9 vote recipients will be placed on the Gold team roster, subject to the approval of the postseason committee. Each manager or player will not be able to vote for players on their own team. The remaining 3 players will be selected by postseason committee members after an evaluation which all eligible 9 year olds will be invited to, regardless of the division they played in during the season. The committee shall weigh total votes, skill level, seasonal statistics (if available) and overall team needs upon creating the Gold roster. If the committee cannot agree on a player, a vote is taken among board members.

8 Year Old Gold Tournament Team: Ballots will be given to each manager in the AA Division and to all 8 year old players no later than the first weekend of May. Votes will be tabulated (50% manager vote and 50% player vote) and the top 9 vote recipients will be placed on the Gold team roster, subject to the approval of the postseason committee. Each manager or player will not be able to vote for players on their own team. The remaining 3 players will be selected by postseason committee members after an evaluation which all eligible 8 year olds will be invited to, regardless of the division they played in during the season. The committee shall weigh total votes, skill level, seasonal statistics (if available) and overall team needs upon creating the Gold roster. If the committee cannot agree on a player, a vote is taken among board members.

Tournament Teams: Postseason evaluations will be held in late April or May. Depending on the number of available managers and players, Dublin Little League will attempt to form as many tournament teams as possible for all divisions. The postseason committee members will select players based on total votes from the postseason ballots, skill level, seasonal performance, seasonal statistics (if available) and positional needs.

These are the post-season baseball teams representing DLL:

- Seniors All-Stars

29. DRAFT PROCEDURES

- Dublin Little League does not guarantee you will be placed in the same division you signed your child up for. Our goal is for balanced teams based on the players skill level.
- All players who sign up before the registration closure date not otherwise waitlisted will be placed on a team
- Drafts will be done in the following order to allow for players not selected by the higher division.
 - Majors
 - AAA

- AA
- A

Minors Divisions (A, AA, and AAA) Draft:

- Following the Evaluations and on a date to be announced by the Player Agent, Minors Managers will gather with the Player Agent and other Board Members as needed to manage the Draft for the purpose of selecting players.
- Each team shall be comprised of not less than 10 players and no more than 15 players.
- Managers are required to turn in their evaluation results to the Player Agent after evaluation prior to the draft commencing.
- Only players that have completed 50% of the skills evaluations are eligible for the draft without special board approval. If there are players that did not complete 50% of the evaluation, they will be selected randomly at the end of the draft (Hat Pick).
- Drafting order shall be determined by a random draw. Drafting shall be in a serpentine order. For the purposes of explanation, let us assume that there are four teams in the league.

First Round:

- Manager who selects number one from the draw selects the first player
- Manager who selects number two from the draw selects the second player
- Manager who selects number three from the draw selects the third player
- Manager who selects number four from the draw selects the fourth player

Second Round:

- Manager who selects number four from the draw selects the fifth player
- Manager who selects number three from the draw selects the sixth player
- Manager who selects number two from the draw selects the seventh player
- Manager who selects number one from the draw selects the eighth player, etc., until the rosters are completed

Secrecy:

- Players shall never be told the position in which they were drafted

Options for Sons, Daughters and Siblings

An option is an agreement between a manager and the Player Agent covering a special condition. All options must be in writing and be submitted to the Player Agent prior to the draft. NOTE: These provisions also apply for managers having eligible brothers or sisters in the draft. The options are as follows.

Brothers/Sisters in the Draft - When there are two or more siblings in the draft and the parent requests the kids to be on the same team, and the first brother or sister is drafted by a manager, that manager automatically has to draft the other brother or sister on the next turn.

Sons/Daughters of Managers - If a manager has sons and/or daughters eligible for the draft, that son and/or daughter will automatically be assigned to him in the specified draft round. Managers may elect not to take their son and/or daughter during the specified round. If the manager elects not to select the son and/or daughter at the specified round, the son and/or daughter is then available to be drafted by any team.

Draft Rounds

The son and/or daughter of a manager will be drafted in the applicable round based on the composite score calculated through the evaluation ranking process organized by the Player Agent.

The manager of a player wanting to play up must be approved by the executive board. AA managers with a 7 year old, AAA managers with a 9 year old.

Coaches – No coaches will be named until after the draft.

Special Considerations Which Apply:

- Based on the list below all eligible players must be drafted into the corresponding Division at the expense of younger players being moved down to a lower level.
 - o 11 and older players for AAA
 - o 10 and older players for AA
 - o 8 and older players for A
- Underaged players in addition to executive board approval must be selected in the first 3 rounds of the draft to be selected for a team based on the list below
 - o 8 for AAA
 - o 7 for AA
 - o 6 for A

Majors Division Draft:

- Following the Evaluations and on a date to be announced by the Player Agent, Major Managers will gather with the Player Agent and other Board Members as needed to manage the Draft for the purpose of selecting players.
- Managers are required to turn in their evaluation results to the Player Agent after evaluation prior to the draft commencing.
- Each team shall be comprised of not less than 10 players and no more than 15 players.
- Only players that have completed 50% of the skills evaluations are eligible for the draft without special board approval. If there are players that did not complete 50% of the evaluation but have been approved for Majors level of play, they will be selected randomly at the end of the draft (Hat Pick).
- Drafting order shall be determined by a random draw. Drafting shall be in a serpentine order. For the purposes of explanation, let us assume that there are four teams in the league.

First Round:

- Manager who selects number one from the draw selects the first player
- Manager who selects number two from the draw selects the second player

- Manager who selects number three from the draw selects the sixth player
- Manager who selects number two from the draw selects the seventh player
- Manager who selects number one from the draw selects the eighth player, etc., until the rosters are completed

The managers must keep in mind that they must not select more than eight players in a given age group.

Secrecy:

- Players shall never be told the position in which they were drafted

Coaches:

- All coaches are named after the draft.

Options for Sons, Daughters and Siblings:

- An option is an agreement between a manager and the Player Agent covering a special condition. All options must be in writing (except No. 1) and be submitted to the Player Agent prior to the draft. The options are as follows:
- **Brothers/Sisters in the Draft** - When there are two or more siblings in the draft and the parent requests the kids to be on the same team, and the first brother or sister is drafted by a manager, that manager automatically has to draft the other brother or sister on the next turn.
- **Sons/Daughters of Managers** - If a manager has sons and/or daughters eligible for the draft, and wishes to draft them, he/she must submit the option in writing. If so stated, the parent/manager is required to exercise the option at or before the close of the specific draft round, depending on the League Age of sons and/or daughters. Parent/manager option takes priority over any other option. NOTE: These provisions also apply for managers having eligible brothers or sisters in the draft.
- **Draft Rounds** - The son and/or daughter of a manager will be drafted in the applicable round based on the composite score calculated through the evaluation ranking process organized by the Player Agent

Special Considerations Which Apply:

- All eligible 11 and 12 year olds must be drafted into Majors Division at the expense of younger players being moved down to a lower level.
- The manager of a 10 year old must have executive board approval.
- In addition to executive board approval a 10 year old needs to be drafted in first 3 rounds to be eligible
- If the manager so chooses, the option on son or daughter may be waived.
- In the event the parent becomes a manager in another league, that parent may not claim the son or daughter
- Players are eligible only in the league whose boundaries include the parent/manager's home residence (as defined by Little League).
- When a vacancy occurs during the playing season, the player selected to fill the vacancy becomes a permanent member of that team, governed by the same regulations as all members of the team selected in the draft.
- Parents of Major League players who become managers or coaches after their children have been selected to a Major team may not automatically claim their sons or daughters, but may trade for them at the proper time, subject to requirements for trading as described in the operations manual.
